

2023 GEOTHERMAL REBATE PROGRAM APPLICATION

Name: _____ Co-op Account #: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____ Phone: _____

Email address: _____

Section A: New Home Installation

Is this a **New** home installation? YES / NO

Section B:

I certify the heat pump identified on this form will be installed at the address listed above. I agree to allow a representative of the Cooperative to validate the heat pump installation at the above address. In exchange for this rebate, it is agreed the Co-op shall retain all environmental and renewable energy credits as designated by the EPA and/or the governing state agency consistent with the ongoing evolution of CKenergy's Energy Conservation and Carbon Reduction programs. Upon installation, loop ownership and maintenance requirements are the responsibility of the homeowner, and it is agreed that CKenergy will be held harmless for future costs.

Customer's Signature: _____ **Date:** _____

Section C: Contractor Information

Loop Contractor _____ Installation Date of the Ground Loop: _____

HVAC Contractor _____ Installation Date of the Heat Pump(s): _____

Section D: New Geothermal Equipment Information
